Vol. 2 – 10/01/2024

In loving memory of Larry Tilton, a man whose impact was felt far beyond the walls of Coastal Auto Parts. Larry's dedication to his work was matched only by his deep love for his family and his passion for music. He wasn't just a store manager; he was a craftsman, building guitars and playing them with the same care and enthusiasm he brought to every aspect of his life. Whether at work or on stage, Larry's energy, kindness, and creativity were evident to all who knew him.

As we reflect on his life, we remember the joy he found in his family, the pride he took in his work, and the music that filled his heart. His presence will be deeply missed, but his spirit lives on in the countless lives he touched.

Our thoughts are with his family during this difficult time. Larry's memory will forever remain with us, and he will be sadly missed.
